Administrations: the Class of Contribution is determined by the Gross Domestic Product of their country. The class and number of voting weights is calculated according to Article 2.1 of Annex 2 of the ETSI Rules of Procedure.

3GPP individual membership is subject to an **extra 3GPP contribution of €3 550** (€2 662,50 / €1 775 / € 887,50) for class 1 and class 2 members.

Where Public and Corporate Groups hold multiple 3GPP memberships, they shall make an overall contribution that exceeds 20k€ multiplied by the number of 3GPP members to be exempted from paying the 3GPP minimum contribution for each of their 3GPP individual Members.

oneM2M participation is covered by the ETSI Member contribution.

* The above contributions and fees are VAT excluded. They are calculated according to the 2024 budget as approved by the 82nd General Assembly.

The detailed provisions for the selection of the class of contribution may be found in Annex 2 of the ETSI Rules of Procedure.
